

# Hytera SC880

## Smart 5G Body Camera

5G Empowered, Crystal Clear Capture.

## Hytera SC880

A smart 5G body camera with high bandwidth and low latency transmission capabilities, as well as 4K ultra high definition video recording capabilities, give you breakthrough solution for evidence capture, video dispatching, real-time communication.

The professional optical lens is equipped with advanced distortion correction technology, six axis electronic image stabilization algorithm, and high-power infrared light, effectively recording key details in law enforcement processes under moving and dark conditions.

Leveraging the power of 5G, SC880 enables you to stream 4K video from the field to the control center faster than ever before. This helps the commander always see more details on the scene, significantly improving collaboration for a safe, rapid response in critical moments.

Collaborate with a professional convergence communication platform to achieve push-to-talk over cellular (PoC) communication, meeting users' real-time communication needs.

### Camera

- 130° wide angle lens
- Scratch resistant

### Video Recording Key

- Slide to record without a glance

### High-Resolution Touch Screen

### Large Push-to-Talk (PTT) Key

- Easy to locate with textured design
- Easy to operate with big size

### Replaceable Battery

- Large capacity
- Battery latch

# TRUTH FROM CLARITY

4K. 130° FOV

**Record the Bigger Scene**

Capture videos with complete and clear details as the incident unfolds, thanks to 130° diagonal wide field of view and stunning 4K video resolution.

**Intelligent stabilization algorithm\***  
**Capture Shake-free Videos**

Shoot rock-steady videos even when you are walking or running.

\* Coming soon.

**Dual microphones**  
**Record Sounds Soundly**

Record authentic and detail-rich sounds perfect for critical evidence, even 10 meters away, benefitting from the dual microphones design.

Image Stabilization: ON

*In motion*

Image Stabilization: OFF

*In motion*

# EFFICIENCY THROUGH CONNECTION

## Live streaming Instant Eyes-on-scene

Livestream the stunning 4K video to the command center over 5G network with low latency for quick and right decision-making. Even in poor network conditions, reliable and smooth video streaming is ensured, thanks to the adaptive bitrate streaming algorithm.

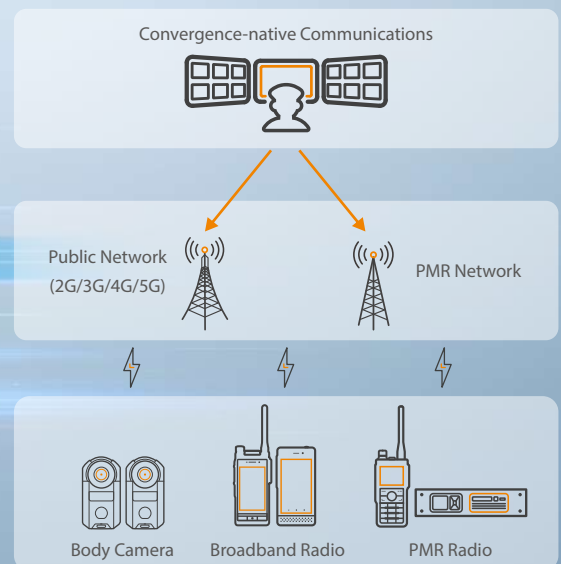

## PoC application Push to Talk

Deliver low-latency and encrypted voice and video communication at the press of the PTT key. Bring loudness and voice clarity into every conversation, by an unprecedented collaboration of a 2-watt speaker and the AI-based noise cancellation algorithm.

## Convergence communication Unlock the Power of Seamless Connectivity

Leverage Hytera's converged communication platform to achieve encrypted private call, group call and SMS communication with PMR radios and broadband radios for better collaboration.

## ASSURANCE FROM SECURITY

### Multiple encryptions Secure the Evidence and Communication

Protect evidence from illegal using and tampering through AES-256 and hash algorithm. Secure communication through voice encryption and video encryption.

### Intelligent scene awareness\* Ensure Personnel Safety

Sense light and motion in real time to detect whether the camera is blocked and the officer is down. If so, automatically send an alarm to the dispatch center for evidence capture or immediate assistance.

\* Coming soon.

## CARRY WITH EASE

You can carry SC880 in any way no matter what clothes you wear (shirt, jacket, and vest) or what vehicles you drive (motorcycle and car).

### Magnet Mount

Use powerful magnet to grip your uniform tightly.

### Chest Harness

Adjustable reflective strap for night work safety.

### Shoulder Strap

Adjustable strap for all-day comfort movement.

### MOLLE Mount

Compatible with MOLLE system.

### Motorcycle Mount

- 360° adjustable
- Anti-slip
- Stable

### Car Mount

- Adjustable angle
- Super-strong suction cup
- Easy to install and remove

# CONFIDENCE FROM RELIABILITY

**3,500 mAh battery. Backup battery.  
Always Ready for Next Shift**

Record videos for more than 10 hours\* (1080p with 5G and GPS on) in a row, benefiting from the 3,500 mAh battery and low power consumption technology. During battery replacement, its built-in backup battery ensures an uninterrupted recording for 5 minutes\*.

\* The time is measured in the lab and may vary from configuration.

**10 hours**  
Continuous video recording

**5 minutes**  
Uninterrupted power during battery replacement

**Rugged design  
Work as a Workhorse**

Boast an ultra-long service life — lying in the perfect alchemy of robust liquid silicone front housing and industrial-grade components. Built and tested under the toughest conditions, it effortlessly resists 2-meter drops. Rugged, reliable, and ready to face rough handling day after day.

**30,000+ toggles**  
Video Recording Key

**300,000+ press**  
PTT Key

**IP68. Wide range of working temperature  
Work in Any Conditions**

Combat dust, sand, water, and even extreme temperatures — giving you the confidence to get the job done anywhere.

# Specifications

Dimensions (H x W x D)	110 mm x 60 mm x 35 mm
Weight	180g (with battery)
Field of View	130° diagonal
Video Resolution	2160p(4K),1440p(2K),1080p,720p,480p
Pre-event recording	Up to 300s
Video File Format	MP4
Audio File Format	AAC
Photo File Format	JPG
Memory	4 GB RAM + 64 GB ROM
Interface	Type-C (USB3.0)
Screen	2.4-inch touch screen,480 x 640 pixels
Positioning	GPS/BDS/GLONASS/Galileo
Battery Capacity	3,500 mAh
Battery Life	10 hours* (recording at 1080p with 5G and GPS on)
Backup Battery	Built-in, for up to 5 minutes* recording
WLAN	802.11 a/b/g/n/ac/ax
BT	BT 5.2
NFC	Support
IP Rating	IP68
Cellular Networks	GSM: 850/900/1800/1900 CDMA: BCO WCDMA: B1/B2/B3/B5/B8 TD-LTE: B34/B38/B39/B40/B41 LTE-FDD: B1/B3/B5/B8/B20/B28/B7/B26 5G-N: N1/N3/N5/N8/N28/N41/N77/N78/N79/N40

\*The time is measured in the lab and may vary from configuration.

# Accessories

● Standard ● Optional

●  
Battery

●  
Belt Clip

●  
USB Type-C Cable

●  
Power Adapter

●  
Multi-Unit Charger

\* More accessories can be obtained through official channels.
